Strikes Frequent in Japan.

Strikes and labor troubles are more frequent in Japan than in any other country in the world, and this is not surprising when the conditions under which the industrial classes have to work are considered.

The commerce of Japan has shared in the wonderful progress of the country during the last 30 years, but while trade has prospered with the introduction of modern methods, the workers have been ground down under the factory system into an incredible state of misery.

No consideration whatever is extended to the workers by either the Government or employers. The employers are mere slave drivers, while the Government does nothing to regulate the conditions of labor. No limit is enforced for hours of labor or for a minimum wage.

In Tokyo, where wages are higher than anywhere in the Empire, thousands of factory girls work for 12 cents a day, a cotton spinner earns 25 cents a day, a bootmaker about 25 cents and an ordinary laborer has to be content with 20 cents.

Excessively long hours of labor are the rule. Factory workers are busy from 7 in the morning until 6 in the evening, with a few minutes at noon to swallow their scanty meal of rice. On the railroads it is not unusual for men to be on duty 24 consecutive hours.

The condition of female labor is simply pitiful, and perhaps nowhere else in the world is the lot of the woman worker so hard. The Japanese factory girl is underpaid, underfed and has to toil long hours at tasks that are physically exhausting. As a class, she is ignorant, helpless, unprotected and unorganized.

Terrors For "Hello Girls."

The "hello girls" have found that there are terrors in the new law for them. An act of recent legislation says: "Whoever being an operator, clerk, messenger or employee of any telephone company discloses the contents of any dispatch or message sent or received from any office of such company, except to a court of justice or to a person authorized to know the same, shall on conviction, be fined not less than \$100 or more than \$500."

What Ails You?

Do you feel weak, tired, despondent, have frequent headaches, coated tongue, bitter or bad taste in morning, "heart-burn," belching of gas, acid risings in throat after eating, stomach gnaw or burn, foul breath, dizzy spells, poor or variable appetite, nausea at times and kindred symptoms?

If you have any considerable number of the above symptoms you are suffering from biliousness, torpid liver with indigestion. Dr. Pierce's Golden Medical Discovery is made up of the most valuable medicinal principles known to medical science for the permanent cure of such abnormal conditions. It is a most efficient liver invigorator, stomach tonic, bowel regulator and nerve strengthener.

The "Golden Medical Discovery" is not a patent medicine or secret nostrum, a full list of its ingredients being printed on its bottle-wrapper and attested under oath. A glance at its formula will show that it contains no alcohol, or harmful habit-forming drugs. It is a fluid extract made with pure, triple-refined glycerine, of proper strength, from the roots of the following native American forest plants, viz., Golden Seal root, Stone root, Black Cherrybark, Queen's root, Bloodroot, and Mandrake root.

The following leading medical authorities, among a host of others, extol the foregoing roots for the cure of just such ailments as the above symptoms indicate: Prof. R. Bartholow, M. D., of Jefferson Med. College, Phila.; Prof. H. C. Wood, M. D., of Univ. of Pa.; Prof. Edwin M. Hale, M. D., of Hahnemann Med. College, Chicago; Prof. John King, M. D., Author of American Dispensatory; Prof. Jno. M. Scudder, M. D., Author of Specific Medicines; Prof. Laurence Johnson, M. D., Med. Dept. Univ. of N. Y.; Prof. Finley Ellingwood, M. D., Author of Materia Medica and Prof. in Bennett Medical College, Chicago. Send name and address on Postal Card to Dr. R. V. Pierce, Buffalo, N. Y., and receive free booklet giving extracts from writings of all the above medical authors and many others endorsing in the strongest possible terms, each and every ingredient of which "Golden Medical Discovery" is composed.

Dr. Pierce's Pleasant Pellets regulate and invigorate stomach, liver and bowels. They may be used in conjunction with "Golden Medical Discovery" if bowels are much constipated. They're tiny and sugar-coated.

South Needs Help.

It is announced that among the immigrants on board the steamship *Sufia Hohenberg*, that has just arrived in port, are twenty-four young girls from Austria who are seeking employment in family house services.

There should be places for a few thousand of them under present conditions. The "colored ladies" who have heretofore condescended to work for "white women" in domestic service have become so arrogant and so superior to any such employed that they scorn both love, or absolute liberty, and money as inducements to take places as cooks and housemaids. If a few thousand instead of a score of Austrian girls would only land upon our docks they would be regarded almost as divinely sent, if not angel visitors.—New Orleans Picayune.

Good Recommendation.

Insurance Commissioner Prewitt has addressed a letter to Gov. Willson, in which he recommends the separation of the offices of Insurance Commissioner and the State Fire Marshal from the Auditor's department. In it he shows the opportunities for collusion between the Auditor and the Insurance Commissioner in the admittance of new companies into the State, and gives many potent reasons why the best interests of the State can not be conserved by the affiliation of the two offices.

Wonderful Eczema Cure.

"Our little boy had eczema for five years," writes N. A. Adams, Henrietta, Pa. "Two of our home doctors said the case was hopeless, his lungs being affected. We then employed other doctors, but no benefit resulted. By chance we read about Electric Bitters; bought a bottle and soon noticed improvement. We continued this medicine until several bottles were used, when our boy was completely cured." Best of all blood medicines and body building health tonics. Guaranteed at Oberdorfer's drug store. 50c. nov
